

Vocabulary Paint Chips Activity

SIMILAR OR CONTRASTING WORDS

Directions: Choose four vocabulary words that you have a hard time remembering or that you can't seem to use appropriately in writing. On the paint chips below, write one of the four vocabulary words on the darkest shade (or square) on each paint swatch. Then, using a thesaurus, online or in print, choose three challenging words that are similar or have the opposite meaning. Write these three words on the other paint colors on the swatch. In the white spaces next to the paint colors, write the definition of each word and a sentence that uses the word in context.
